MISSION STATEMENT

Our aim is to empower students to reach their full potential in a supportive and challenging holistic learning environment, preparing them for an active role as confident, caring and tolerant life-long learners.

PHILOSOPHY

Matija Gubec International School is committed to educating the whole child, in an academically challenging, nurturing, and child-centred environment. We emphasize freedom of expression, independent thinking, and positive personal values and qualities while maintaining a sense of responsibility to others through respect and cooperation. The educational framework of Matija Gubec Primary School represents a balance between the processes and outcomes of learning.

The curriculum is based not only on the acquisition of knowledge but also on the development of problem-solving and critical-thinking skills. Using a broad, research-based curriculum we emphasize literacy; written and oral communication; the creative process of the arts and music; the acquisition and mastery of multiple languages; reasoning in the sciences and mathematics; the pursuit of a physically active and healthy lifestyle; and, technology to enhance the learning and discovery process.

As future, fully contributing members of society, our students develop as socially and morally responsible individuals, and demonstrate this through understanding and respect for others and service to the community. Matija Gubec International School develops each student's self-worth, confidence, and pride by providing programs that make the most of our multi-cultural school community.
