

Successful promotion at the Winter Bazaar

SCHOOL COOPERATIVE

December 18th, 2013

At the Winter Bazaar, held on December 18th, our School Cooperative "That's it" presented a variety of products that have been lovingly hand-made by the students within the School Cooperative Sections and through team work of the students, their parents and teachers at the Winter Workshop held a week prior to the Bazaar.

In a relaxed, friendly and fun atmosphere of the Winter Bazaar, we were presenting and selling homemade crafts, baked goods, soaps, scarves, badges, wooden clothing hangers, wooden candlesticks, decorative pillows and pillow cases, jewellery and Christmas ornaments.

Thanks to the engagement and efforts of all the students, their parents and teachers, our School Cooperative achieved great success that we can be all proud of.
